

## WHAT IS OP3?

The Ohio Public Private Partnership (OP3) provides state and local government agencies, businesses, associations, colleges and universities the opportunity to engage in crisis disaster prevention, planning, response and recovery efforts which will promote business continuity, reduce recovery time, improve the quality of life and create a safer Ohio.

OP3 includes partner organizations from each of the 16 critical infrastructure sectors.

## WHY DOES OP3 MATTER TO YOU?

*OP3 aims to:*

Assist public and private sector entities with returning to normal operations in the wake of a disaster by sharing critical information with OP3 members;

Provide situational awareness of imminent threats on a need to know basis through voluntary information sharing between OP3 members;

And build a comprehensive network of businesses, associations, government agencies, higher education and non-profits, to jointly participate in disaster prevention, planning, response, and recovery efforts.

## WHAT DOES OP3 PROVIDE?

- Timely situational awareness of imminent threats and disasters.
- Networking and information sharing opportunities.
- Access to the federal Homeland Security Information Network (HSIN).
- Access to Ohio's Communication & Information Management System (CIMS).
- Opportunities to participate in disaster prevention, planning, response, and recovery efforts.
- Cost-free use of the Emergency Partner Credentialing System.

*OP3 is a cost-free partnership*
