

## STATEWIDE TERRORISM ANALYSIS & CRIME CENTER

### State Assets Local Law Enforcement can Request through the HUB Watch Desk/STACC

#### EVENT SECURITY

- **SkyWatch™ Towers**
  - 30-foot-tall SkyWatch™ Tower structure
  - Pan, tilt and zoom cameras with wired and wireless connection options for remote viewing
  - Transportation and set-up of the tower for the requesting agency
  - Trained OHS IP Unit staff member available to help with monitoring and operating the tower
- **Modular Vehicle Barriers**
  - 3 boxes; each box will block a 24' roadway
  - Flexible length – individual barrier units fit together to suit varying vehicle and road sizes
  - Physical vehicle barrier designed to prevent mid-size trucks cars and prevent unauthorized vehicles entry
  - Stops vehicle ramming attacks and prevents unauthorized vehicles from breaking into restricted or events areas

#### BARRICADED SUBJECT/HIGH-RISK ENTRY

- **Special Response Team**
  - Full-time tactical unit
  - Explosive, ballistic, mechanical breaching capabilities
- **Unmanned Aerial Vehicles**
  - Outdoor searches
  - Indoor use including flying through a house or building to locate suspects
  - FLIR
  - Camera (fixed-position)
  - OSHP provides operator
  - 45 min – 1 hr. flight time (approx. 20 min. per battery)
- **iCOR Robots**
  - Search rooms without an officer having to make entry
  - Camera
  - 2-way communication with suspects
  - Deliver products like throw phones or food and deploy less-lethal munitions
  - Can climb steps, go over rough terrain and even drag an injured person to safety
- **Lenco B.E.A.R. Armored Vehicles**
  - Equipped with a mobile, adjustable ramp system which gives officers capabilities to get on top of a building or second floor of a hotel without having to make first floor entry
- **Launchable Munitions**
  - CS Gas
- **Special Threats Movable Shields**
  - 5 linkable Level III+ rifle-rated shields
  - Can be bolted together to create a mobile “wall”
  - Used when it is not practical to use B.E.A.R. as protective measure due to space, environment, or terrain
- **Hostage Negotiators**

#### INCIDENT COMMAND

- **Mobile Command Vehicle**
- **Zumro Tent**
  - Inflatable, portable shelter system
  - Heating/AC with generator

#### CRASH & CRIME SCENE MAPPING/RECONSTRUCTION

## STATEWIDE TERRORISM ANALYSIS & CRIME CENTER

### INVESTIGATIVE/SURVEILLANCE

- **Aviation**
  - Caravan (13-passenger fixed-wing)
    - With video downlink
  - 3 American Eurocopter turbine-powered helicopters
    - Search assistance with FLIR
  - Aerial photography
  - Intelligence missions
  - Evidence relays

### FORENSIC VIDEO ANALYSIS

- Correctly extract video files from media including computers/laptops, DVR systems, proprietary video players (dash-cam systems) and websites
- Analyze video for uses including single-frame grab (missing/endangered persons, person of interest, license plate, etc.), noise and/or blur reduction
- Write official, technician-level reports and give testimony on video we analyze

### CIVIL UNREST

- **Mobile Field Force**
  - Response to critical incidents that involve large groups of individuals who are demonstrating outside the parameters of a peaceful demonstration
  - Can respond to potentially volatile or violent demonstrations to augment the local law enforcement who would also be involved in the event
- **Cut-Teams**
  - (SRT) Barricades, walls, concrete
  - (Mobile Field Force) Removing protesters who chain, lock, or otherwise secure themselves to immovable objects, resulting in a difficult-to-remove human obstacle

### EXPLOSIVE DETECTION K9S

- **Regionally deployed at seven state universities and at Ohio Homeland Security in Columbus**
  - Bowling Green State University
  - Cleveland State University
  - Kent State University
  - Ohio University
  - The Ohio State University
  - University of Toledo
  - Youngstown State University

### WEAPONS OF MASS DESTRUCTION, TECHNICIAN LEVEL TACTICAL RESPONDERS

- Troopers trained to work with personal protection equipment when first responders encounter a methamphetamine lab or fentanyl

### 24/7 ANALYTICAL SUPPORT

- **Investigative Case Support**
- **Social Media Monitoring**
- **Threat Assessment**
- **Columbus Police Department's Counter Terrorism Unit**
- **Classified Secret Level Access**
